# Dental Services for Children

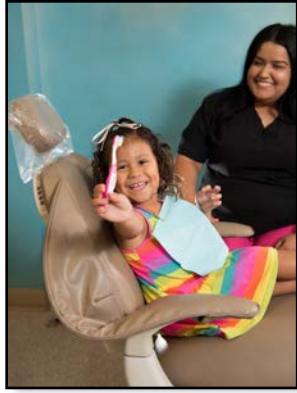

The WellSpace Health DTI/Virtual Dental Home team at Northwood Elementary School is comprised of dedicated professionals specially trained in caring for children ages K-2<sup>nd</sup> grade. Our goal is to offer

high quality dental care in a fun and pleasant child/youth friendly environment in order to create a positive experience for your child here at the school.

## Services Currently Provided:

- Fluoride treatment
- Sealants
- Cleanings
- Sedative Fillings
- Digital X-rays
- Emergency appointments

# Appointments/Eligibility

Many people are uninsured and are not aware that they may be eligible for low- to no-cost dental care programs. Our knowledgeable and experienced patient services team can help you understand and navigate the enrollment process of many health

care programs for which you may qualify including, Family PACT, Medi-Cal, Medicare, and more.

## If you are a new patient:

Please call **916.679.3925** to schedule an appointment. We are here to help you.

## Remember:

Bring your proof of income and photo I.D. to your appointment.

We offer medical and pediatric dental care on a sliding scale fee system depending on income if you do not qualify for specific programs or services.

**[Cash, VISA, MasterCard also accepted]**
