Achieving regional health through high quality comprehensive care

Dental Care

WellSpace Health is committed to providing optimal oral health for infants, children, adolescents, pregnant women, and patients with special healthcare needs. It is essential that dental care begins at a very early age in order to provide children with the best possible opportunity for a healthy, beautiful smile that will last a lifetime.

Untreated tooth decay can cause pain and infection that can lead to problems with eating, speaking, and learning. Dental decay is an infectious disease and can be prevented with proper hygiene, nutrition, preventive treatment and anticipatory guidance.

The dental team at WellSpace Health consists of dedicated professionals specially trained in serving infants, children, and adolescents of all ages. Our goal is to offer high quality dental care in a fun and pleasant child/youth friendly environment in order to create a positive experience for your infant, child, or teenager.

The dental services we provide include:

- Comprehensive new patient exams
- Recall exams
- Emergency visits/exams and diagnosis
- Regular and deep cleanings
- Full-mouth and individual x-rays
- Fluoride treatments
- Dental sealants
- Oral hygiene instruction
- Temporary fillings
- Dental fillings and restorations
- Crowns for primary and permanent teeth
- Space maintainers
- Routine extractions

Appointments And Eligibility

Many people are uninsured and are unaware that they are eligible for low- to no-cost health care programs. Our knowledgeable and experienced Enrollment and Eligibility Department staff will help you understand and navigate the enrollment process of many budget friendly health care programs including Medi-Cal, Health Net, Access Dental and Liberty Dental.

If you are a new patient or interested in scheduling an appointment, please call 916.737.5555. We are here to help you.

Remember:

Bring your proof of income or insurance card and photo I.D. to your appointment. WellSpace Health offers dental care on a sliding scale fee system depending on income if you do not qualify for specific programs or services.
